## Education

2020-2022 **MSc Methodology and Statistics for the Behavioral, Biomedical and Social Sciences** — *Utrecht University*

2018-2020 **BSc Sociology** — *VU University Amsterdam*

2017-2018 **Physical Therapy** — *HvA Amsterdam – University of applied sciences*

## Employment history

2021-present **Student assistant Biostatistics and Data Science** — *Department of Biostatistics and Data Science, Utrecht UMC*

Student assistant in the department of Biostatistics and Data Science. My work includes: giving and preparing education within the (bio)medical faculty, reviewing tests, preparing test questions.

2020-2021 **Student assistant Methodology and Statistics** — *Department of Methodology and Statistics, Utrecht University*

Activities:

- Conducted workgroups for undergraduate students within the General Social Sciences program for the course "Introduction to Research Methods and Statistics" in the first semester of academic year 2020-2021. The working groups involved the application of the theory of statistics and methodology learned from the lectures.
- Supervision of labs for the course 'Application of Research Methods and Statistics' in the second semester of academic year 2020-2021 for the bachelor's program in General Social Sciences. Here the focus is on explaining the application of statistical methods in SPSS and JASP.

- 2019-2020 **Student assistant Statistics** — *Department of Sociology, VU University Amsterdam*  
To explain and instruct on both SPSS and statistics for the course 'Descriptive and Inferential Statistics' for the Dutch- and English-speaking bachelor programs and the pre-master students within the Faculty of Social Sciences.
- 2016-2021 **Employee** — *La Place Bataviastad*

## Professional qualifications

- Language* English (proficient), Dutch (native)
